

How we give students Gator Greens?

We are looking for students that are **RESPECTFUL, RESPONSIBLE** and **SAFE**. Below are some examples on how students can earn **GATOR GREENS** at Gibson.

We hand them a signed, Gator Green and verbally tell them: (examples)

“Thank you for being SAFE by”-

- “Keeping your hands, feet and objects to yourself!”
 - “Waiting to be excused!”
 - “Use supplies appropriately!”

“Thank you for being RESPONSIBLE by”-

- “Being in line on the blacktop when bell rings!”
- “Taking your backpack, homework, planner home!”
 - “By following directions!”

“Thank you for being RESPECTFUL by”-

- “By greeting adults you see with “Good morning” or “Hello!”
 - “By being respectful of others property!”
- “By raising a quiet hand to share or as questions!”

We also give Gator Greens after we re-direct students with expected behaviors, and when they demonstrate the appropriate expectations! (5:1-positives:re-direct)

Gibson students are always trying and willing to work on earning Gator Greens to earn great prizes!
